

Kytun™ Valley Trough & Tile Valley Trim Pitch Guarantee

Kytun™ Aluminium Valley Trough & Tile Valley Trim is guaranteed to a minimum roof pitch of 25 degrees as part of a standard tiled roof constructed to the current NHBC Building standards.

This guarantee is valid for a period of 20 years.

This guarantee does not cover any damage caused by exceptional circumstances such as acts of god.

This guarantee does not cover any failure in roof tiles nor does it cover any construction where elements of the roof construction has not been fitted in accordance with manufacturers installation guides.

The colour coating of both the Kytun™ Aluminium Valley Trough and Tile Valley Trim is guaranteed for a period of 20 years from the date of delivery.

During this period the colour is guaranteed, within the limits of natural weathering which will occur due to weather conditions.

Any deterioration in this respect does not affect the mechanical and physical properties of their durability.

This guarantee does not cover exceptional ageing of the colour due to exposure to an abnormally aggressive atmosphere.

All material used to manufacture the Aluminium Valley Trough & Slate Valley Trim are produced according to EN and AA/ASTM standards.

Claims for guarantee are only admitted by written complaint within a month after the damage has been noticed.

Kytun™ is manufactured by North West Aluminium Slate Trim (Ireland) Limited.

The guarantee is issued by the manufacturer. Kytun™ is a registered trademark of North West Aluminium Ltd.
